

Giving Children a Leg Up on Life

Leg Up Farm's mission is to enrich the lives of individuals with special needs and their families through support and customized programs.

Community Impact 2020

13,398 pediatric therapy appointments

2,988 equine therapy appointments

4,731 volunteer hours completed

31 students attended class in on-site special education classrooms

Leg Up Farm is the only pediatric therapy facility in the country to provide physical, occupational, aquatic and speech therapy, behavioral health services, nutrition counseling, equine therapy and educational and recreational programs under one roof. Our engaging, fun environments and custom treatment plans enable us to improve outcomes for more than 600 individuals each year.

“There will never be a way for us to repay the staff of Leg Up Farm for the incredible gift of life they have given our little girl. Her quality of life has significantly improved since starting there and we will be forever grateful.”

Community Impact 2020

47 adults received
day program services
at Able-Services

23 students received
work experience
through Able-Services

Leg Up Farm founded Able-Services in June 2014. As a member of the Leg Up Farm family, Able-Services provides life-span services and customized experiences for adults with special needs. Able-Services provides a welcoming, caring program for participants, allowing them to explore community interests and develop and expand skills for independent living.
